

—ABOUT US—

Health Staffing International is a progressive company building a "Nursing Gateway" to the world: the best choice for nurses in their pursuit of career opportunities in hospital, geriatric, or community settings, in Canada or around the world.

Our strength is people.

Our company boasts a diverse Multi-Cultural complement of staff with ties to each of the major continents of the world. Our staff have experience in acute hospital settings, multi-level care facilities, extended care units, psychiatric programs and residential settings.

We know the regulatory environment, the labour relations issues, and the quality assurance requirements faced by facility operators. Our qualified staff work to meet the needs of our clients as they arise.

In the area of health care staffing, we aim to provide a full range of work options, support, education and resources for staff, clients, and communities.

Our management team is qualified and experienced in facility and Health Care Agency Administration. Health Staffing ensures that our clients' staffing needs are supported by properly qualified individuals.
